

China has increased tariffs on most textile, apparel, accessories, footwear, and travel goods products exported from the United States by 5 to 10 percentage points. Tariffs have been increased through a series of counteractions taken by China in response to actions taken by the United States in response to China’s unfair trade practices related to technology transfer, intellectual property and innovation, based on the [findings in its investigation of China under Section 301 of the Trade Act of 1974](#). For details on the tariff increases and the affected products, see the following Policy Releases on the [Ministry of Finance of the People’s Republic of China website](#):

- [Taxation Committee Announcement \[2018\] No. 8](#) - Announcement of the Customs Tariff Commission of the State Council on the application of tariffs on imports of approximately US\$60 billion worth of goods originating in the United States (9/18/2018) (Lists of affected products are attached in -[Taxation Committee Announcement \[2018\] No. 6](#) - Announcement of the Customs Tariff Commission of the State Council on the Tariffs on Certain Imported Goods (Second Batch) Originating in the United States (8/3/2018))
- [Taxation Committee Announcement \[2018\] No. 7](#) - Announcement of the Customs Tariff Commission of the State Council on Adding Tariffs to Imported Goods Originating from the United States of About US\$16 Billion (8/8/2018)
- [Taxation Committee Announcement \[2018\] No. 5](#) - Announcement of the Customs Tariff Commission of the State Council on Adding Tariffs to Imports of US\$50 Billion (6/16/2018)

An unofficial compilation of textiles, apparel, accessories, footwear, travel goods, and other textile-related products that are subject to an additional tariff is provided below. See the Chinese Government documents available at the links provided above, for official product and tariff information.

Textiles, Apparel, Accessories, Footwear, Travel Goods, and Other Textile-Related Products (unofficial compilation)
