Re: Withdrawal of Request to Consider the Commercial Availability Under the North American Free Trade Agreement (NAFTA) of Certain Woven Jacquard Acetate Rayon Fabrics of HTSUS 5408.23.2930

Dear Mr. Priest:

Oxford Industries, Inc. respectfully withdraws our request that the Committee for the Implementation of Textile Agreements (CITA) recommend a change to the NAFTA Rules of Origin for various Harmonized Tariff Schedule Chapter 62 headings, made on May 2, 2008. We believe that certain domestic suppliers may be able to provide a substitute lining fabric for us using a less desirable, but acceptable fiber.

Please contact me if CITA or other concerned agencies, committees, or other involved parties have questions or require additional information. Thank you for your attention to and consideration of this petition.

Respectfully submitted, (
